Lincoln Youth Football & Cheer Club would like to extend this opportunity to local businesses to support its youth. By being a sponsor, you will not only increase your company’s exposure, but you will be providing our youth a valuable opportunity they may not otherwise have. Our organization consists of all volunteers working very hard to provide a safe and effective environment for boys and girls.

Our goals for 2019 are to continue providing the safest equipment to our participants, refurbishing our current football gear, and to collaborate with Lincoln schools to make some necessary repairs on the fields we practice and play on. With your support, we feel confident these goals will be met. Please read the following levels and decide which one is best for you. Please contact Torie McBryde if you have any questions at (734) 635-2951. Thank you for your consideration on sponsoring Lincoln Youth Football and Cheer Club.
